RE: My Client : Richard Rubino  
Your Client : Celsius

Dear Judge Glenn:

Please be advised that this office has been retained to represent Mr. Rubino in a claim for benefits and compensation owed as a result of the Celsius Bankruptcy.

Mr. Rubino has filed his claim properly and was finally sent claim forms and codes to redeem his money via Paypal for BTC and ETH. After he opened a paypal account and copied the claim codes he was told the codes were not valid and has been denied his money. To make matters worse he has sent numerous emails and left numerous messages at Stretto regarding this matter with no response. Please direct us on how to proceed?

Thank You,

Sincerely,
